A query in Genforum believes Samuel was buried on one of the Norwalk Islands. If he died in Ridgefield that seems unlikely. Need to find if they have a tombstone for him in one of the Ridgefield Cemeteries. Robert Lefler, whose ggrandmother married Mark James Lefler. He skips some generations but takes his ancestors from Ralph 1, Samuel 2, Joseph 3, Elizabeth who married John Rockwell, and then skips to his ggrandmother Ella Rockwell.

JOSEPH KEELER is listed on pages 10, 11, 15, and 16 in the settling of the town of Ridgefield.

"At a General Assembly holden at Hartford on Thursday 13th day of May, 1731, upon the memorial of JOSEPH KEELER, Ebenezer Smith, Daniel Olmstead and the rest of the proprietors of the common and undivided lands in the town of Ridgefield, setting forth to this Assembly the great loss and damage they have sustained by reason of the dividend line between the Province of New York, and the Colony of Connecticut coming so much further eastward, than was expected, and thereby cutting off a considerable quantity of land belonging to the said town, thereupon petition this Assembly, that they would, in consideration of the loss.....grant unto them a certain quantity of land, bounded south by the Colony line".....Pages 65, 66, and 67

At a proprietors meeting March 19, 1732, a committee was appointed on the part of Ridgefield to settle the boundry line between this town and Danbury. An interesting note in Genforum on the Internet says that George Bush has the Keeler name in his genealogy. They have it this way and attribute ELIJAH to Joseph. I find Elijah in my records, but do not have a way so far to give him to Joseph. Here is what is in Genforum:

Samuel Keeler and Sarah St. John
Joseph Keeler and Elizabeth Whitney
Elijah Keeler and Sarah
Rebecca Keeler and Lemuel Bangs
Elijah Keeler Bangs and Esther Stackhouse
Mary Ann Bangs and Joseph Ambrose Beaky
Martha Adela Beaky and David Davis Walker
George Herbert Walker and Lucretia Wear
Dorothy Walker and Prescott Sheldon Bush
George Herbert Walker Bush.....interesting.

Also noted on the LDS family group sheet on Joseph that Elijah was listed as being born March 17, 1727 at Ridgefield, CT., and was still living in 1790. Also noted on the same FGS was another Elijah Keeler, born 1706. Perhaps did one Elijah die early? I will add the family of Elijah here as I found it also in the LDS.

Also there is listed on the LDS FGS a son named Isaac, under Joseph Keeler, who was born 1715 and died 1778 at Ridgefield. May or may not be a member of this family. Marge Gray also lists Isaac under Joseph and Elizabeth and has his death at 1778 in Ridgefield. He signed a will on February 25, 1778 in Danbury, Fairfield Co., CT.

Am adding these names to the Joseph Keeler family with the knowledge that they may or may not be in the right place and may have to be moved or changed. All the other members of the family except for Elijah and Isaac were

found in Rockwell's "Ridgefield History". Actually Paul is not found there either except as a participant in the Rev. War.

Will add here from the Westchester Co., history a little about the town of Lewisboro.

It is hereby certified, that whereas Thomas Hawley, Nathan St. John, Samuel Smith, Benjamin Benedict, Richard Olmsted, Thomas Smith, Ebenezer Smith, Daniel Sherwood, Benjamin Burt, Thomas Hyatt, Benjamin Wilson, Joseph Lee, JOSEPH KEELER, James Benedict, Richard Osborn, Samuel Smith, Daniel Olmsted, TIMOTHY KEELER, JONAH KEELER, Matthew Seymour, Joseph Northrup, James Brown, Adam Iceland, John Thomas, and Benjamin Birdsall, inhabitants of the town or Ridgefield, as of the eastern parts of this province, by their humble petition, presented unto his Excellency in council, the 3rd day of September, setting forth that they and their ancestors have for a long time been settled upon, cultivated and improved certain lands near the eastern parts of this province, held by patent from the colony of Connecticut, but that, contrary to their expectations, some of the lands to be sold by patent from the colony of Connecticut are supposed to be within that part of the province of New York, commonly called the Equivalent Lands, and that the petitioners, together with their associates, would be willing to defray the charge and expense of finding out and ascertaining the true partition lines between both the said colonies, provided that 50,000 acres of the said lands be granted to the petitioners; and whereas, the partition lines between the said colonies have been accordingly run out and ascertained by commissioners for both the said colonies being thereunto duly commissioned and appointed, and 61,440 acres of land of the said colony of Connecticut were lately, at the settling of the said partition lines, surrendered to the said province of New York, for the use of his Majesty; wherefore the petitioners prayed his Excellency would be favorably pleased to grant to them, their heirs and assigns, his Majesty's letters patent for 50,000 acres of the said land under such quit-rent provisions and restrictions as is and are directed in his Excellency's commissions and instructions; which petition being then and there read and considered of his Majesty's council of this province, did afterwards, on the same day, humbly advise and consent that his Excellency do grant the prayer of the same, &c., given, &c., 4 several tracts, the first of which begins at the monument where the two lines intersect which are the eastwardly bounds of the said surrendered lands, and is 1 mile, 3/4 of a mile and 52 rods distant on a line running north 84 degrees east from the monument, and the end of the 20-mile line from Cortlandt's Point west to the east end of Long Pond, &c., then along south side of said pond to the easterly bounds of said surrendered lands.

The 2nd tract begins at the monument, standing at 2 miles from the monument, at the end of the 20 miles from Cortlandt's Point.

The 3rd begins at the 8th mile monument, on the westwardly bounds of the said surrendered lands, on the line running north 12 degrees and 30 minutes east of the monument, at the end of the 20 miles from Cortlandt's Point.

The 4th tract begins at the 34 mile from the monument, at the end of the 20 miles from Cortlandt's Point, &c.

This grant was also commonly called the "East Patent" from its easterly situation as appears by the following receipt given for quit-rent in 1760.

From Ann Hassold: All children from the second marriage are recorded in the records of the United Church of Christ, South Salem, Westchester County, New York. (South Salem is just across the state line from Ridgefield probably only 4 miles distant)

Marge Gray writes: Paul Keeler, Sr. was born 1720 in Fairfield County, CT. He died on April 27, 1787 in South Salem (Lewisboro), Westchester County, New York. He served in the military in Rev. War. He was married to Mrs. Unknown Smith about 1746. She was born about 1726 in CT and died about 1749/50.

My additions to this information of Marge Gray. Wonder where she found the information about his serving in the Rev. War and the death of Mrs. Unknown Smith? Since the children except possibly Sarah and perhaps, Paul, are listed as being born after Mrs. Unknown Smith died, she attributes them to a second wife. Our original information (from Fitch family files) gives the birth of Paul, Jr. as 1756 meaning he would also belong in the category of belonging to the 2nd wife, but Ann Hassold believes that Paul and Sarah were of the first wife, Mrs. Unknown Smith and the later ones to Sarah Wood, the 2nd wife. As above she has found the other children listed in the church records of the United Church of Christ in South Salem.

Notes

Came to Pennsylvania about 1795. Before they left Ridgefield, Connecticut, they sold their property to Nathan Dauchy.

Dates of death of both Paul and Sarah are taken from an inquiry in the WHS newspaper. Need to be checked further. The inquiry was from Marge Gray asking for the parents of both of them.

Paul Keeler was ^{ss}accessed in Eaton Township, now Wyoming Co., PA, then Luzerne Co., PA, in 1799, 1801 and 1802, as the owner in half-interest in a ferry which Hezekiah Smith, of Exeter, also owned half-interest. According to the tax lists for 1806 Paul Keeler sold his lands to Hezekiah Smith and removed from the township. His will was made in Exeter, Luzerne Co., PA, November 5, 1812, and was probated at Wilkes-Barre, January 6, 1813. It names his wife Sarah and the following children:

1. Anna
2. Asa
3. William
4. Nancy
5. Lucy
6. Sally, who married Nathaniel Fitch
7. Clarissa
8. Abbey
9. Fanny
10. Patty or Polly This was from Shoemaker.

Paul was reported as fighting in Sheldon's Light Horse Dragoons.

Also Ann Hassold says that he served in Waterbury's Regiment from Ct., from January 12 through January 15, 1776. (National Archives) It shows that he received pay for 3 days of service at that time.

.....

PAUL KEELER, JR., was a trumpeter in Sheldon's Light Horse Brigade in the Revolutionary Army. This brigade was from Connecticut. (Whitney Family, Vol. 1, page 76 and "History of Ridgefield" by John Rockwell, page 154)

Ann Hassold has looked and found no reference to Paul in the Nathional Archives as being in Sheldon's Light Horse Brigade. But someone may have found it so will leave it in the genealogy.

She did find that Paul had served in Waterbury's Regiment from CT, from January 12 through Jan. 15, 1776, receiving pay for 3 days of service.

.....
 From the "Narrative of Zuriel Sherwood":

"Paul Keeler and Hezekiah Smith had purchased a farm at the foot of the narrows, of Ephriam Lockwood on the west side of the river, and established a ferry at that place by the name of Keeler's Ferry"

"Paul Keeler owned a clearing one mile east from Breeches Pond, and had also purchased the Benjamin Jones Farm, two miles below the falls adjoining the farm of Peter Harris."

"About this time (about 1808) my father-in-law, and Hezekiah Smith, who both lived on the west bank of the River at the Ferry, got into some difficulty about their farm there, that they owned in partnership. The partnership was dissolved and my father-in-law lost considerable money by it, but as he had, when he came in, a half bushel of dollars, he had some left, which he used to purchase the Benjamin Jones farm in Jonestown and moved to it."
 (Zuriel Sherwood had married Lucy Keeler)

Also in the wedding description of his own wedding, he says the the house of Paul Keeler could be seen just across the river from the Ferry landing (or possibly from the Sherwood farm) and that it was partially hidden by the golden elms in October and that if they listened they might be able to hear the voices of the family inside. So the house must have been not too far from the banks of the Susquehanna River.

.....
 Another note from Zuriel Sherwood giving some insight to when the Keelers came is that he tells about his wife Lucy Keeler, watching them as they made a big catch of shad from the river as she sat in front of her cabin and he says the date of that is 1793. We find them marrying in 1799.

From the "History of Ridgefield" by Rockwell.....PAUL KEELER, JR. was born in Ridgefield, April 9, 1756. He married Sarah Burt Cornwell. He bought the land and built a house where now stands the Methodist Church. He moved to Falls Village, PA, where he died and was buried. He sold his property in Ridgefield to Nathan Dauchy, Page 154.

Note on the above birth date. May be true. Ann Hassold thought he was born before 1750. She gives a date of about 1747. See her explanation below. Perhaps a print error and the date is April 9, 1746 instead of 1756??

1790 Census of Ridgefield, Fairfield Co., CT
 PAUL KEELER is listed next to NATHAN DAUCHY (who purchased his property when he moved to PA) Page 28

1800 Census of Exeter Township, Luzerne Co., PA.....as listed by "unknown researcher".

PAUL KEELER

1 male 16 to 26.....born 1774-1784
 1 male over 45.....himself.....born before 1755
 3 females under 10.....born 1790-1800
 3 females 10 to 16.....born 1784-1790
 1 female over 45.....wife, Sarah.....born before 1755

From the 1810 census of Exeter Township, Luzerne Co., PA

PAUL KEELER

- 1 male over 45 born before 1765 probably Paul
 - 2 females 10 to 16 born 1794-1800
 - 1 female 16 to 26 born 1784-1794
 - 1 female over 45 born before 1765 probably Sarah
-

Ann Hassold says that in the 1800 Census of Exeter Township, Luzerne Co., PA, Paul Keeler is listed between Hezekiah Smith and Zuriel Sherwood, who had just married Paul's dau. Lucy. I would assume that means they would have been his nearest neighbors. Hezekiah Smith was a partner in the Ferry with Paul Keeler.

.....

As this is the family who crosses with the Fitch family, I will put here the sources of Keeler information as listed by Ann Hassold and which she used for some of her facts. I will also repeat this at her family group page.

1. "The Keeler Family" by Wesley B. Keeler. Ralph Keeler of Norwalk CT and some of his descendants. Pages were copied for me and sent by a correspondent many years ago.
 2. "The Whitney Family of CT". by Phoenix, Vol. 1

-

Ann Also believes that Paul Keeler, Jr. was born before 1751 and also his sister, Sarah, as the baptism of brother Ebenezer, was in May of 1752. If Ebenezer was the first son of the 2nd wife, Sarah Wood, and Paul and Sarah were of the first wife, a Smith, then they would have to have been born before Ebenezer. If so the 1756 date reported in the Ridgefield History is incorrect. More info needed on this. Perhaps need to find out where Rockwell found the 1756 date for his publication. *(Again — perhaps a printing error)*

To add to this theory is the fact that in the Nov. 20, 1812 issue of the Luzerne Advertiser we find "Paul Keeler, died in Exeter, aged 66 years (no date given)"
At 66 years of age at death, his birth would be about 1746/47
Will change on family group page, but will leave the date of April 9, 1756 here as it was reported in the Ridgefield History by Rockwell, but seems likely it is incorrect.

.....

Ann Hassold has searched many of the deeds and land records of Ridgefield. She notes that there were some transactions between some "Smiths" and Paul Keeler. The 1790 census shows several Smith neighbors and in deeds his lands lie next to Benjamin Smith and an "F" Smith (might this have been E for Ebenezer??) She could not find a definite connection between any Smith family and Paul Keeler but many were in the area.

.....

December 15, 1795.....Nathan Whitlock of Northmoreland Twp., Luzerne Co., PA, yeoman, for \$1565 deeds to PAUL KEELER of Ridgefield, Conn., yeoman.....deeds the above mentioned 150 acres "including the ferry,

formerly occupied by Ephriam Lockwood of which I purchased the aforesaid premises as by deed on record in Luzerne Co., Book 3, page 319, may fully appear". Recorded December 15, 1795. (Book 3, p. 560)

Other transactions referring to this property as follows:

August 13, 1794.....Joseph Ogden and Humphrey Ogden, Jr., of the town of Pawling, Dutchess Co., New York, and Joseph Ogden of Western (Weston??), yeomen, deed to Ephriam Lockwood of Western, Conn., yeoman, for 133L and 6 s land in the town of Northmoreland, Luzerne Co., PA., and is lot 5 in said township beginning at the corner of lot 4 at a white oak tree marked on the bank of the Susquehanna River, thence running westerly in company with lot 4 one and one-fourth miles, thence running northerly 80 rods, thence running easterly course to the Susquehanna River holding the breadth of 80 rods, thence down said river to the place of beginning, containing 200 acres.

Signed.....Joseph Ogden

Humphrey Ogden, Jr.

Humphrey Ogden, Jr. (?)

(So the record reads) Witnesses: Stephen Hurlburt and Rhoda Sturges, Joseph and Humphrey Ogden acknowledged the deed before Mathew Paterson, Judge of the Court of Common Pleas, Dutchess Co., New York. Recorded May 15, 1794 (Luzerne Co., PA Deeds Book 3, page 47)

March 6, 1795.....Ephriam Lockwood of Northmoreland, Luzerne Co., PA., yeoman, for 300L deeds to Nathan Witlock of Lower Salem, Westchester Co., New York, a parcel of land lying in said Northmoreland Township being Lot 5 in said township beginning at a small yellow oak tree on the bank of the Susquehanna River being the corner of said Lot 5 and Lot 4 in said township, thence running west 16 degrees, south being the dividing line between said lots to the northwest corner of said Lot 4, thence north 2 degrees, east to the Susquehanna River, thence down in company with said river to the first mentioned bounds INCLUDING THE FERRY which I have occupied and containing 150 acres.

Signed.....Ephriam Lockwood, no signature of wife

Witnesses: John Phillips and Sally Wilson. Recorded March 24, 1795 (Book 3, page 319)

(If the records are correct and Ephraim Lockwood who was the brother of Elizabeth Lockwood who married John Fitch died about 1783, then it was not Elizabeth's brother who had purchased the Ferry which later was purchased by Paul Keeler. Her brother, Ephraim, was a Tory according to Jacobus and was dead by 1783 as there was a distribution of his estate to widow Ann. So we must look for another Ephraim Lockwood, though could well be a relative since "Ephraim" was the ancestor name passed down through the family. He was also called of Western (Weston) which is where that Lockwood family lived.)

(Note also that Nathan Whitlock was previously of Lower Salem, Westchester County, New York, which is exactly where Paul Keeler came from. His father died there.)

Will of Paul Keeler, Jr. as written by the "unknown researcher":

The will of Paul Keeler of the District of Exeter, Luzerne Co., PA, dated November 12, 1812, proved January 6, 1813, being weak of body gives to wife, SARAH, the whole of my lands, buildings, stock, privileges and everything name and nature in any way so long as she liveth and to sell away any part of the whole according as she sees cause and at her decease to be divided as follows, in case that my wife does not sell the farm, to be sold at her death and divided as follows: And everything sold at her death. Witnesses: Peter Harris and Levi Townsend.

(Luzerne Co., PA., Wills Book A, page 141)

(Some of the wording of this will seems strange, not sure it is correct)

Both sign. Witnesses: Patience Albro by mark X and POLLY KEELER. Data on the Keeler Family in the "Genealogy of John Rockwell and Ralph Keeler" by J. Boughton, published 1903, page 29, footnote, and page 72, state that PAUL KEELER was born at Ridgefield, Conn., April 9, 1756, married February 7, 1775, at Ridgefield, Conn., SARAH BURT CORNWALL, moved 1790 to the vicinity of the Great Bend of the Susquehanna, bought 150 acres, Lot 5, in the certified township of Northmoreland, Luzerne Co., PA, which is situated opposite Falls Township, now Wyoming Co., PA.

He sold this after a short time after this and settled about 2 miles below Falls Village where he lived until his death, November 16, 1812, and was buried in the family graveyard. His wife lived on the farm until the marriage of their daughter, MARY, to ANDREW MONTAYNE, when she moved to Exeter Township., Luzerne, Co., PA, and lived with her daughter MARY until her death, April 17, 1826, and was buried by the side of her husband. The farm was purchased by the son ASA, who gave it to his son, STERNE, and at the death of STERNE, his son, HENRICK B. KEELER purchased it and owned it until 1903.

.....

Reuben Taylor lived on the McKeen Flats
Matthew Sherwood, JOHN FITCH and David Morehouse on the flat below
PAUL KEELER and Zephaniel Townsend on the Townsend Flat.

.....

From History of Wyoming County, Exeter Township, page 510

"Mr. Stule, who settled in the north part of the township, opposite KEELER'S FERRY, PAUL KEELER, after whom the Ferry was named".....was naming early settlers of Exeter Township.

"Mr. Sherwood states that the first Methodist preachers hereabouts preached at KEELER'S FERRY 70 years ago."

.....

April 5, 1802.....Luzerne County Federalist.....listed that PAUL KEELER had a letter waiting for him at the post office at Wilkes-Barre.

In July of 1802 a letter was reported to be waiting for PAUL KEELER, Newport at Wilkes-Barre.

This may be an error. Will have to track down where Newport is found.

Found in the Luzerne County Federalist of February 1804....."A valuable farm, containing about 300 acres, with 100 under improvement, there are on the premises, two houses, and one barn, with about 50 bearing fruit trees; also two Ferry Boats and a good Fishing place. It is a good stand for a tavern or store. For further particulars, enquire of KEELER and SMITH, on the premises, Northmoreland."

Oct. 1811.....a letter found in the Pittston Post Office waiting for PAUL KEELER.

The Ferry land that Paul Keeler bought came from
The Whitlocks who bought it in 1795 from
Ephriam Lockwood, who had purchased it from the Ogden family

A Note about Keeler's Ferry..... "Nelson Walker, who timbered the Keeler property at Keelersburg, a few miles above West Falls, operated a freight ferry for about 5 years until 1900 from there to the McKine property on the east side of the river. The initial ferry boat built by Solomon White of pine logs cost \$35. Members of the Keeler family and others contributed the funds for its construction. Apparently though it was called Keeler's Ferry the Keeler family did not do the operation themselves, but owned part of it." This refers probably to a later time but tells a little about the Ferry.

Notes

The 1820 census has Sarah Keeler in Exeter Township, Luzerne Co. PA
2 males under 10 born 1810-1820
1 male 26 to 45 born 1775-1794
1 female over 45 (Which would be Sarah) Paul had died in 1812

The list of sources Ann Hassold used in researching the CORNELL/BURT name:

1. There is no record of Sarah Burt's marriage to a Mr. Cornwell in the Ridgefield land records. Her second marriage to Denton Mills, February 29, 1760, is recorded ther although it took place in the United Church of Christ in South Salem, Westchester, New York. There is also no record found of her daughter Sarah Cornwell's birth in the Ridgefield land records. (Same references to Ridgefield Land Records as under Keelre) (for list of Keeler sources look under Ann Hassold's notes)
2. Ridgefield Deeds, Vol. IV, pp 154, 155 (Sarah Cornwell receives the homestead of her father, Benjamin Burt, by quit claim from her siblings, May 24, 1759.) Although her sister, Thankful's husband, is named in the distribution, Sarah's husband was not named, meaning he was deceased I believe. This proves that the Sarah Burt who was born in 1714, daughter of Benjamin Burt and Sarah Belden, was indeed the Sarah Cornwell who's

daughter married Paul Keeler.

3. "The History of Ancient Wethersfield" by Stiles, Vol. II for Burt ancestry.
4. "Early Days in New England, The Life and Times of Henry Burt", by Henry M. Burt and Selan W. Burt
5. "New England Marriages prior to 1700", by Torrey
6. Many records of Middletown, Middlesex, CT, where the name Cornwell is found. Ann has been trying to find an eligible man named Cornwell who could have married Sarah Burt. There is such a man, named William Cornwell, born June 1712, son of William Cornwell and Mary Thompson.
7. There is quite a lot about the family of Benjamin Burt, Sarah Burt Cornwell's father, in the Ridgefield land records. Several of the sons were Tories and their land was confiscated.

Ann has found several deeds in Ridgefield between Paul and Sarah Keeler and Sarah and Denton Mills, who was Sarah Cornwell Keeler's mother and stepfather.

SARAH KEELER, (Ralph 1, Samuel 2, Joseph 3, Paul 4, Paul Jr. 5) was born June 26, 1785* (or June 28) at Ridgefield, CT. Died Feb. 6, 1856 at Falls Township, Wyoming County, PA at age 70 years, 7 months, and 9 days. Married August 21, 1801 (or August 29) to Nathaniel Fitch I who was born February 12, 1781/82 and died at Falls Township. From the Wyoming County Historical Society.

*Old genealogy" says June 26, 1786.....Marge Gray says June 28, 1785

Interesting note: Though we have no description of Sarah, her sister Lucy was described by her husband, Zuriel Sherwood, as having red hair and blue eyes and slender of form. Possibly a family trait.....so could it be true of Sarah also? Just a possibility. And that she was very lovely.

Lawton - Ralph Keeler born about 1915

THIS COPY OF A 1640 map shows how Hartford was laid out less than ten years after its settlement by the English colonists. The road along the river—approximately where an interstate highway now runs—says: “Main travelled Road from Boston to the South & from Windsor to Wethersfield Road from Little River to North Meadow.” The Little River later was called the Park River, or the Hog River, and is now mostly underground in the downtown area. In the lower right-hand corner of the map is Dutch Point, site of the original Dutch trading post in 1633, and “Dutchmens Land.” The house of Thomas Hooker was to the right of the Little River, one lot west of the “Main travelled Road.” (HC)
